THE MASONS ARMS

WELCOME

◆ WELCOME ◆

Whether you're after a quick pint and a snack, a catch-up and long lunch with friends or a three-course meal with those special to you, our menus are designed to leave you feeling satisfied.

We use the finest locally sourced meat and vegetables wherever possible, together with the freshest fish and seafood we can get our hands on. Choosing premium ingredients inevitably means that we pay a premium price for them, and this is reflected in the prices on our menus.

We could reduce costs by buying cheaper ingredients, but we won't compromise on the quality of the food we serve our customers. Our aim is simple: to use great produce, prepare it properly and give you the best possible experience every time you eat with us. Quality has a cost, but we believe you can taste the difference.

Food is served seven days a week, and booking is highly recommended to make sure you get your preferred table and dining time.

WE LOOK FORWARD TO WELCOMING YOU
